check member eligibility :: Eligibility Search Help?

This application allows you to determine if a member is eligible for your services.

NOTE: Payment of benefits is subject to the member's eligibility on the date of service and any other contractual provisions of the plan. To assure compliance with state mandates, please follow the pre-authorization instructions on the member's health insurance card.

Search for a Member

Your search results will be limited to **ONE** record. The recommended search parameters are Member Name, Date of Birth, and State. At a minimum, you must enter State and Member Name or Member Number.
