Dear Magellan Complete Care of Florida Provider:

Thank you for being a valued part of our network. We have some exciting news. Magellan Complete Care of Florida (MCC of FL) is in the process of being acquired by Molina Healthcare, Inc. (Molina). We anticipate the transaction will close some time in the first quarter of 2021. Molina is a company that has Medicaid and Medicare health plans and programs, like MCC of FL, across the country. In FL, Molina serves members through their Medicaid Managed Medical Assistance (MMA) and Long-Term Care, Medicare and Marketplace products.

Nothing will change immediately when MCC of FL becomes part of Molina. Until further notice, you will continue to:

- Have the same contract terms and reimbursement rates
- See the same MCC of FL members (MCC of FL member ID cards will still be valid)
- Reach us by the same MCC of FL phone numbers and emails
- Work with the same MCC of FL staff
- Use all MCC of FL provider manuals/handbooks and other materials, phone numbers, websites and portals, and other information sources

In addition, all authorizations and referrals made prior to 12/1/2020 will continue to be valid through the authorization period. Until further notice, please request authorizations and submit claims using the current processes. We'll let you know in advance of any changes to these and any other processes.

MCC of FL and Molina are committed to making this change as smooth as possible. We value our relationship with you and will update you as we know more. In the meantime, if you have any questions, please see the attached FAQ document or contact Provider Services at 1-800-327-8613 Monday-Friday, from 8 a.m. to 7 p.m. Eastern time.

Sincerely,

Irene Lord
