Managing stress during social isolation

May is Mental Health Awareness Month. We recognize the importance of this topic and invite you and your frontline staff to join us for a special presentation.

May 27, 2020 from 12 p.m.–1 p.m.

Objectives:
• Provide relevant and helpful information about COVID 19’s impact on our members, staff, services and resources
• Educate attendees on how to assist people during this disruptive time
• Offer information on how attendees can cope with their own stress resulting from disruption and isolation

Virtual meeting location:
