You’re invited to a Virtual Lunch and Learn

Suicide prevention training: Question, Persuade and Refer (QPR)

September is Suicide Prevention and Awareness Month. We recognize the importance of this topic and invite you and your frontline staff to join us for a special training on QPR given by the Florida Implementation of the National Strategy for Suicide Prevention (FINS) Project.

September 16, 2020 12 p.m.–1:15 p.m.

Objectives:
- Provide an interactive discussion on our thoughts and attitudes regarding suicide and suicide prevention
- Educate attendees on how to identify suicide warning signs and risk factors
- Offer information on statistics and data from a national, state and local standpoint
- Review resources in the community and provide guidance on how to establish a strong safety net for people at risk

The FINS project will provide one Continuing Education Unit (CEU) to professionals who are licensed through the Florida Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling.
